Nancy Colbert Friday (August 27, 1933 – November 5, 2017) was an American author who wrote on the topics of female sexuality and liberation.. Her writings argue that women have often been reared under an ideal of womanhood, which was outdated and restrictive, and largely unrepresentative of many women's true inner lives, and that openness about women's hidden lives could help free women to ...

Gathers letters and interviews about sexual fantasies such as domination and voyeurism to discuss the role of modern society, feminism, and the Internet in the development of fantasies.

The #1 New York Times–bestselling author’s “groundbreaking” work on women’s sexual fantasies (Publishers Weekly). First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women’s inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times

A “fascinating [and] evocative” analysis of these powerful emotions by the #1 New York Times–bestselling author of *My Mother/My Self* (Kirkus Reviews, starred review). What is jealousy, and how does it undermine our closest relationships? Renowned journalist and author Nancy Friday tackles this difficult topic with compelling honesty and depth of insight. Here, Friday explores the feeling of fear and its connection to jealousy—specifically the fear of losing love and power. Informed by close readings of psychological treatises on jealousy as well as anecdotal interviews, she offers new insights into jealousy at every stage of life--from childhood to old age. The author of the iconic bestseller *My Secret Garden*, Nancy Friday is known for her courage in tackling incredibly intimate, personal topics head-on and with astonishing honesty. Here, she turns her focus toward an emotional issue that often cripples loving relationships—and shows new pathways toward healing.

A classic work on how women think about sex, from the New York Times–bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday’s groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women’s sexual fantasies, detailing how women’s erotic lives have changed—and remained the same. “This absorbing, titillating and empowering feminist book is also a ribald bedside companion.” —Publishers Weekly

A collection of women’s intimate erotic thoughts by the #1 New York Times–bestselling author of *The Secret Garden* and “liberator of the female libido” (Newsday). The publication of the groundbreaking expose on women's sexual fantasies, *My Secret Garden*, ushered in a revolution in women's sexual freedom of expression. In *Forbidden Flowers*, Nancy Friday reveals even more erotic, wild, and explicit fantasies expressed by women all over the world, from all ethnic and socioeconomic backgrounds. Like *My Secret Garden* before it, *Forbidden Flowers* is a celebration of the depth, potency, and imaginative breadth of women’s inner erotic lives. By giving female readers a glimpse into the ordinary and often extraordinary fantasies of other women, it offers to some an exhilarating freedom from the guilt and shame so often associated with sexual fantasy—and to others, provides fascinating insight into the psychology of female sexual response. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times

This is a book about men who love women. But it is not a collection of love stories. It is a study of the secret, erotic fantasies that men have always kept hidden, a taboo-shattering investigation that reveals the deepest, most conflicting feelings that men have about women, men and their own sexuality. Men in Love goes beyond the socio-sexual cliché of woman seen as either madonna or whore to reveal the conflict of love and rage at the centre of men's emotions and erotic desires. Based on thousands of candid responses from men ranging from their teens to their sixties, Men in Love - startling and shocking - will change men's deepest feelings about their sexuality and make the women who care about them understand them as never before.

A candid exploration of the mother-daughter relationship probes the private emotions, pains, joys, and secrets and charts the stages of a woman's life

Violet goes to a sauna to relax after a stressful fight with her parents. But then a naughty idea strikes – why not get to know the men at the sauna? She's seen movies about what people do in the steamy confines, and even better, it'll piss her parents off. But what the curvy girl doesn't realize is that more than one alpha male in the steam room has his sights on her, and they're getting ready to share. Scott and Mike don't engage in spa time shenanigans because that's for losers, and not gorgeous alpha males who can get any woman they want. But there's a new girl at the sauna today, and Violet touches something deep inside. What they don't realize is that the curvy girl is incredibly ripe and fertile ... and soon actions have consequences, including a baby! Violet's sassy ... she's adventurous ... and she's taking things to new limits in the steamy, sensual sauna! It's time for fun and games in this naughty tale that will make the thermometer pop! Swords do NOT cross in this romance because this story is all about HER. No cheating, no cliffhangers, and always a HEA for my readers.

Misty is spoiled. Her parents left on vacation and gave her money to entertain herself while they're away. But Misty doesn't want money. She wants Jordan, the handsome, muscular soldier next door with the charming smile and a body hardened from war. The curvy girl will do *anything* to get him, including sunbathing in a skimpy bikini while her neighbor works in his yard. Jordan Slate is a rough and tough veteran. Back from Afghanistan, the handsome man's hoping to find peace and calm in the routine of small town life. But when his next-door neighbors take off, they leave their teen daughter alone at home, flaunting those generous curves made for sin. Fortunately, Jordan's just the man to teach the sassy girl a lesson or two by making her squeal ... while putting a baby in her belly! Pull out the big guns because Misty's the type of girl who deserves what she gets, and fortunately, there's an OTT alpha male next door ready to give her a tasty lesson. Sparks fly high and hot in this filthy story and there's a twist you'll never believe. Let's just say Jordan is a James Bond-type, and Misty gets her chance to be a Bond vixen as part of the deal. No cheating, no cliffhangers, and always a HEA for my readers.

Kaylee doesn't have much money. To make ends meet, she works as a maid at Millbrook Estate, washing dishes and mopping floors. The curvy girl's determined to make something of herself, but will she be able to escape her trailer park past? Elliot's jaded. He's been through dozens of women, and there always seems to be something missing. The billionaire's got high standards, but maybe high standards are over-rated. Maybe it's time to hit the trailer park for some hot, heavenly filth in the form of a sassy, curvy girl with plenty to share. Rags to riches? Forget that! This story is about riches to rags and the fun two people have when they decide to get dirty together. The billionaire OTT alpha male thinks he's got it all, but Kaylee shows him there are whole new worlds of taboo fun to be had. No cheating, no cliffhangers, and always an HEA for my readers.
