No longer will the girls next door have all the fun. Now, for the first time, every woman can learn to work it like a Playboy Bunny! With unprecedented candor, three professional Bunnies—one a career-driven diva, one a quintessential party girl, and one happily married—get together and dish on everything. And we mean everything. They share insider tricks on how to wow a first date, walk in heels, look (and feel) great naked, give an unforgettable striptease, choose the right makeup and lingerie, care for hair (down there), and so much more! The Bunny Book gives a gal everything she needs to know to refine her image and expand her repertoire.

Has this bad-boy bachelor met his match? In business and pleasure, he needs his nemesis! To catch the spy in his family business, Zachary Stone needs a first-rate security specialist. But the new hire is none other than Frances Wickersham, the girl who challenged a younger Zach at every turn. She's always pushed him. This time around, the long-legged beauty is challenging his playboy ways. Now that they are all grown-up, can they ignore their undeniable chemistry? USA TODAY Bestselling Author

Featuring an introduction by Playboy founder, Hugh Hefner, a paperback edition of the magazine's best-selling retrospective, first published in 1993, contains its most memorable articles and more than a thousand photographs and illustrations. Reprint.

When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery, but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking- and bed- order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, Bunny Tales is compulsively readable and endlessly entertaining!

Being a Playboy bunny is every girl's dream. Betty (Dyer) Miller found the world of Playboy to be a world full of glamour, glitz and excitement when she was chosen to be one of the very first Playboy bunnies when the Playboy Club opened in Cincinnati in 1964. Leaving the Playboy Club, she made many attempts at becoming a star. The story follows Betty as she invents many strange and unusual acts to achieve stardom. One act she attempted was being a snake dancer with her supposed boa constrictor, Sheila, which turned out to be a dangerous snake called an anaconda. We all know how fierce an anaconda can be. Another act found Betty being the Dancing Corpse, actually coming out of a casket and scaring a troop of African American cub scouts when she was doing publicity shots in a public park. This chapter is entitled Feets, Do Your Duty. Among her five husbands was celebrity Kenny Jones, who was a guitar player on the Midwestern Hayride - a popular television show that was telecast nationally. She had watched Kenny on the show for years, never dreaming that one day she would meet him and even marry him. What a thrill that had to have been. Being married to Kenny threw her into the world of top name performers like Kris Kristofferson and Johnny Paycheck who would jam with Kenny at a club called Whiteys in Cincinnati. Betty also narrowly escaped being one of the Cincinnati Stranglers victims as she encountered him one night after leaving the Playboy Club. Her encounter with him is chilling and will have readers on the edge of their seats. Readers will be memorized by her story. Should Hollywood ever get hold of it, the life and times of Betty Miller would make and excellent and very entertaining movie.

For some, nothing is as pleasurable as the smell and taste of a great cigar. For them, Playboy The Book of Cigars will be the next best thing to lighting up. Whether you want to learn the finer points of cutters, cutting, or humidors, or want to understand more about how the tobacco is grown and the cigars rolled, it's all here for you. Learn why Cuban cigars are so sought-after, what the cigars from the Dominican Republic and Honduras have to offer, and whether cigars from Cameroon and the Canary Islands are worth your time. With a foreword by artist and bon vivant LeRoy Neiman and an afterword by award-winning actor Joe Mantegna, there is more than a touch of the good life here. Sprinkled with photographs from around the world, enlivened by sexy Playboy beauties, and featuring illustrated images of celebrities by Risko, there has never been a cigar book offering more of the good life than Playboy The Book of Cigars. It's the perfect book to keep next to your humidior.

Named a Best Book of Summer by Good Morning America Parade EW Travel & Leisure PopSugar Brit & Co SheReads Women.com A dazzling portrait of a young woman coming into her own, the youthful allure of sex, drugs, and rock and roll, and what we lose—and gain—when we leave home. ONCE IN A LIFETIME, YOU CAN HAVE THE TIME OF YOUR LIFE The small town of Lake Geneva, Wisconsin is an unlikely location for a Playboy Resort, and nineteen-year old Sherri Taylor is an unlikely bunny. Growing up in neighboring East Troy, Sherri plays the organ at the local church and has never felt comfortable in her own skin. But when her parents die in quick succession, she leaves the only home she's ever known for the chance to be part of a glamorous slice of history. In the winter of 1981, in a costume two sizes too small, her toes pinched by stilettos, Sherri joins the daughters of dairy farmers and factory workers for the defining experience of her life. Living in the "bunny hutch"—Playboy's version of a college dorm—Sherri gets her education in the joys of sisterhood, the thrill of financial independence, the magic of first love, and the heady effects of sex, drugs, and rock and roll. But as spring gives way to summer, Sherri finds herself caught in a romantic triangle—and the tragedy that ensues will haunt her for the next forty years. From the Midwestern prairie to the California desert, from Wisconsin lakes to the Pacific Ocean, this is a story of what happens when small town life is sprinkled with stardust, and what we lose—and gain—when we leave home. With a heroine to root for and a narrative to get lost in, Christina Clancy's Shoulder Season is a sexy, evocative tale, drenched in longing and desire, that captures a fleeting moment in American history with nostalgia and heart.
