The following training plan is designed for educational purposes, and is not a prescribed training plan for any particular individual. While I am a certified exercise physiologist and RRCA running coach, and have designed this training plan with safety in mind, you should understand that when participating in a 50 mile training program, there is the possibility of physical injury. If you ...

(Free) 50 Mile Ultramarathon Training Plan & Guide ...

Periodisation is the systematic planning of training - has been used widely in athletics training since the 1950s. Legendary New Zealand running coach Arthur Lydiard was a proponent of periodisation. In this case, roughly every four weeks there is a week where either the volume or intensity of mileage is lower to enable the body to recover.
