This is the third book in the series and was originally going to be the last in a trilogy, but Paul has hinted that there could be other books added to the extinction point theme. This book is an enjoyable read and I wasn't disappointed with some of the ideas used in the book, the alien world is unknown (hence the word alien) and anything could ...

Extinction Point: Kings by Paul Antony Jones

Revelations, the third and final book in Paul Antony Jones' Extinction Point trilogy, is aptly titled, for it is a book about revelations. The real origin of the red rain, the purpose of its arrival and destruction of the planet, and what these revelations mean for humanity – that is the big question that drives the series as a whole, and ...
